

Mr. Rayford Wilbanks is the Economics Team Leader for the Mississippi Valley Division/Mississippi River Commission (MVD/MRC), U.S. Army Corps of Engineers. He holds a Bachelor and Master's of Science degrees in Agricultural Economics (1978, 1980) from Mississippi State University. He is also a 1992 graduate of the Corps of Engineers' Planning and Project Management Program and 2001 graduate of the Army Management Staff College and the Department of Army's Leadership Development Program.

As Economics Team Leader, Mr. Wilbanks is responsible for providing command and control, executive oversight, regional interface, and quality assurance for the economic, financial, and social analyses conducted within the Mississippi Valley Division (MVD). Mr. Wilbanks is responsible for economic research and development of technology and methodology to solve urgent and practical economic problems within MVD. Mr. Wilbanks serves as a consultant and advisor to the President of the Mississippi River Commission.
